

Central Michigan Amateur Radio Club

Member Meeting Minutes

Date: July 11, 2025

Time: 7:00 pm

Location: West Lansing Church of Christ

Introduction:

- Call to order
- Pledge of Allegiance
- Recognize new members/attendees

Old Business

- Dan Bouchert (WX8MOJ) presented a review of Field Day 2025 activities. Briefly, with over 500 contact and lots of member support, we consider FD 2025 to be successful.

New Business

- Gordy Smith (KE8JKS) will present a soldering class, tentatively scheduled for September 27. This will be limited to 12 participants.
- Dale Cole (K8TS) is asking for assistance in researching CMARC club history. If you have any information, memorabilia, etc., that would help, please contact Dale.

Program:

- Trent Harrison facilitated an excellent overview and demonstration of drones and radio signals, with a brief overview of pertinent laws for those who wish to fly drones.

Conclusion/wrap-up:

- The next CMARC member's meeting is August 8, 7:00 pm at the West Lansing Church of Christ. The program will feature D/Sgt Ken Weismiller and IT Specialist Charles Hoffmeyer (KC8MVD), both from Michigan State Police Cyber Command Center, speaking on cybersecurity and on-line scams. Guests are welcome, as always.
- Meeting adjourned at: 8:45 pm
