

Central Michigan Amateur Radio Club
Member Meeting Minutes

Date: June 13, 2025

Time: 7:00 pm

Location: Raynor Park, Mason

Program:

- Field Day 2025 discussion and coordination.

Introduction:

- Call to order 7:05 pm
- Pledge of Allegiance
- Recognize new members/attendees and new/upgraded licensees

Business Meeting:

- Field Day 2025 was the focus of the meeting. Members in attendance discussed the following:
 - Proposed layout of the various stations
 - Proposed location for generators
 - Coordination of transporting generators to Raynor Park
 - Coordination of propane for the generators
 - Coordination of the logistics of moving club equipment and trailers to Raynor Park
 - Each station will be equipped with a laptop
 - Dan Dembinski, KD9YDE, will take the responsibility for preparing the food
 - Tentative alternate plans were discussed if the weather was inclement
- Russ Fitzgerald, N8FZ, explained the required insurance for club trailers and equipment (e.g., we need a commercial policy, the policy should include providing replacement value for club assets, etc.)
- A discussion regarding the creation of a digital repository for official club documents
- Interest was expressed concerning the creation and maintenance of the club's history
- LCDRA will be providing assistance for the upcoming Marathon to be held in October, and will be asking CMARC members for volunteers to man radio stations on the route
- The July meeting will be a presentation on drones (thank you Trent, and sorry I didn't catch your last name and call), as well as a debrief on Field Day 2025 activities

- Meeting adjourned at: 8:20 pm.
