We have two Mottos for 2015 and they are: “*If you’re not having fun – then something’s wrong!*” and “*Everyone can do something!*”

With that in mind, please answer the questions below by telling us what you think the BOARD can DO to make our meetings interesting and fun, and then tell us what YOU can DO so TOGETHER we can make our Club one of the best around.

1.) What kind of topics would you like us to present at this years meetings?

2.) Do you know someone interesting who would make a good program speaker? If so, please tell us what they would talk about & give us their name/call (if any) and contact info.

3.) What do you want to learn to do this year? What classes you would like to see us offer?

4.) Would you be interested in having a Fox (transmitter) Hunt every month? Are you willing to be the one in charge of getting it all set up and all it requires?

5.) Please list any special skills, training or resources you have that you’d be willing to use in helping CMARC?
